Decoding International Law Semiotics And

In Decoding International Law: Semiotics and the Humanities, Professor Susan Tiefenbrun analyzes international law as represented artfully in the humanities. Mass violence and flagrant violations of human rights have a dramatic effect that naturally appeals to writers, film makers, artists, philosophers, historians, and legal scholars who represent these horrors indirectly through various media and in coded language.

Decoding International Law: Semiotics and the Humanities ...

Semiotics is the science of signs. As mysterious as the word may seem, semiotics has become a household term among interpreters of art, music, literature, and now, the law. This chapter explores the basic elements of semiotics, the role that sign theory has played in the law, and the potential use of the semiotic method yet untapped by the legal community.

Legal semiotics - Oxford Scholarship

Decoding, in semiotics, is the process of interpreting a message sent by an addresser to an addressee. The complementary process – creating a message for transmission to an addressee – is called encoding.

China's rampant piracy of American intellectual property costs the United States billions of dollars annually. This chapter examines the impact of cultural factors on a nation's interpretation of an international treaty designed to protect intellectual property rights of authors and artists. It explores the dramatic irony represented in the history and development of U.S. and Chinese adherence ...

Impact of culture on the semiotics of treaty ...

This chapter proposes a definition of terrorism based on semiotic principles. It uncovers five basic elements of the crime of terrorism that are deeply embedded in each of the many definitions proposed by the United States in its laws, and by many other nations, scholars, and international organizations such as the United Nations. It shows that under certain circumstances requiring the ...

Semiotic approach to a legal definition of terrorism ...

This chapter provides a semiotic definition of the term civil disobedience which like the term terrorism has been misapplied in recent years. It reviews the history of civil disobedience in the United States and how it grew out of resistance and revolution.

Susan Tiefenbrun | Thomas Jefferson School of Law

This chapter explores Martin Luther King's views on civil disobedience as expressed in the memorable Letter from Birmingham Jail. The message contained in the Letter is that racial difference is nothing more than similarity disguised. The Letter deconstructs the myth that racial equality exists in America by first confirming the existence of racial differences, then rejecting the notion of ...

Semiotics and Martin Luther King's letter from Birmingham ...

This chapter shows how failures in China's One-Child Policy, the inadequate enforcement of Chinese laws protecting women, and the longstanding cultural preference for males have led to

discrimination against women and an increase in forced prostitution and trafficking in China. Millions of women are missing in China because of female child abandonment and infanticide.
