Head Over Heels, my most recent read, reminds me of a modern Shakespearean comedy as couples come together, move apart and come together again. If you enjoy a fun read, all the while knowing that all will turn out well, this could be for you.

Head Over Heels is the third installment of the Lucky Harbor series and is full of fun and romance in the air. I am a fan of the author, Jill Shavis, and maybe, if you think that I am biased with this review, you have to read the book yourself to agree on what I am saying.

I love Jill Mansell's stories. I think what I like most about them, apart from the characters that are fun to read and get to know as the stories progress, is that that are like small holidays. They transport me to an altogether less stressful place than the one I usually occupy with kids and work and studying. 'Head over
