Committed To Holism, Diversity And Engagement is quite simply, the students. This paper is for those young spirits that walk to school, get on a bus, ride the subway, commute and/or reside in educational places that currently (or need to) honour them further.

What matters in Indigenous education: Implementing a ... (2007). Towards a paradigm for the study of the translation of children's literature in the South African educational context: Some reflections. Language Matters: Vol. 38, No. 2, pp. 275-298.

Towards a paradigm for the study of the translation of ... Education is all about teaching and learning. Well, it should be all about teaching and learning, however, for all teachers to teach and all learners to learn, it must also be about equality of access. From my perspective, as a member of The Autism Centre, equality of access, through the genuine inclusion of autistic

Teachers' aims should be both functional and educational. Language teaching of all kinds – but my main concern will be foreign language teaching as practiced in general education – should develop competence for communication and interaction whilst stimulating critical thinking and action in the world.
