The history of Florida can be traced to when the first Native Americans began to inhabit the peninsula as early as 14,000 years ago. They left behind artifacts and archeological evidence. Florida's written history begins with the arrival of Europeans; the Spanish explorer Juan Ponce de León in 1513 made the first textual records. The state received its name from that conquistador, who called ...

Planning . While some people prefer to decorate their home in a particular style (French Country, Shabby Chic, Mid-Century Modern), mixing different looks is a wonderful way to create a unique space and showcase your individual style. This approach adds a bit of excitement and an element of the unexpected, but filling a room with an eclectic, unplanned mishmash of styles is rarely a good idea.
