Step 3: Showcase Your Projects (This Is Where the Battle Is Won or Lost) With the intro out of the way, this is the most important section of your online portfolio. Quite simply - if the work you're showcasing fails to grab the visitor - your potential customer or employer - then no other piece of text will convince them to work with you.

How to Make an Online Portfolio (Quick and Easy ...

Renderings and 3D representations give us an overall view of the final result and a variety of options on materials and surfaces. However, being able to communicate through quick sketches and drawings is still a necessity. So, if you are good at sketching or model making by hand, don't hesitate to include it in your
