320 SBI Acronym and Abbreviation Meanings / Page 10

The import trade is referred to goods and services purchased into one nation from another. The word "import" originates from the word "port" considering the fact that the products are frequently transported via ship to foreign countries. Similar to exports, imports are also the backbone of international trade.

MUMBAI: India became a net importer of copper for the first time in 18 years in 2018-19 as the closure of Vedanta's copper smelter in Tuticorin wiped out more than 46% of the country's production of the base metal, said a research report. As a result, imports of refined copper shot up to touch Rs 14,000 crore last year, according to experts.
