Yes or No: The Guide to Better Decisions by Spencer Johnson

As the author of the "One Minute" series of books, Spencer Johnson has maintained his style of short and mostly conversational story telling with "Yes or No" to convey the art of making decisions. Set as a story of a weekend hike with a number of professionals all looking to improve the same abilities, the main character uncovers a very clear and sensible approach for making any decision.

The "Yes" or "No" system is broken down into two main questions to ask yourself when making decisions. One is a practical question and the other is a private question. This allows you to use the system while making personal decisions or buisness decisions. Every day we are all faced with decisions, big and small.

On the other hand, in the case of a 'yes or no' divination, it is much easier. Each card has a positive, negative or neutral value and the answer to the question will be the sum of these values. Thus, everyone can easily try it. If you are interested, the next paragraph will tell you the value of each card.

Yes or No Tarot Reading

The only thing I then do is determine the yes or no answer based on my own positive or negative association with the card. For example, the 6 of Wands would be a yes, while the 10 of Swords would be a no.
